Council wishes a fond farewell to longstanding parish clerk, Gina

At its Annual Parish Meeting on Wednesday 30th May, the members of Warlingham Parish Council said a big “thank you” to their parish clerk, Gina Caunt, who is stepping down from the role after 18 years. After being presented with a bouquet by Chairman of the Council, Cllr. Simon Morrow, Gina said: “Everyone has been so kind. I have enjoyed being parish clerk but I will have a lot more spare time now!” The hall was packed for the meeting, where the Chief Executive of Tandridge District Council, Louise Round and the Leader of Surrey County Council, David Hodge, were guest speakers. In her speech, Mrs Round spoke about the Council’s “Customer First” transformation programme being introduced to streamline its service to its customers. The strategy will provide a much sleeker and responsive service, whilst saving the council about £1.2m at the same time. Mr Hodge spoke primarily about the problem of potholes in Surrey and the shortfall in government funding to enable the council to maintain the roads adequately. Mr Hodge said: “I personally believe we are £11m short and everyone should stand up and fight this. I think it is time our members of parliament stood up for our roads.” Mr Hodge urged everyone to sign an online petition entitled: “Fairer Funding for Surrey’s Roads” that currently has 5,500 signatures. At 100,000 signatures the petition will be considered for debate in parliament. To sign the petition visit: https://petition.parliament.uk/petitions/27930.

Our Local Plan

Draft Local Plan Consultation (Regulation 19) 16 July to 28 August

Have your say about the legal compliance and soundness of our Local Plan. This is the last consultation before the plan is submitted to the government planning inspector. The Plan will deliver:
- A new Garden Community of around 4,000 homes in South Godstone.
- Thousands of new jobs for the district.
- New health care facilities plus upgrades to existing health centres.
- Two new primary schools and a new secondary school plus improvements to many existing schools.
- Road and rail improvements.
- Flood alleviation.

To view the plan, read the factsheet relating to your ward and find out how to have your say, visit: www.tandridge.gov.uk/localplan

Proud winners of the Croydon Council Award 2015
New Chairman elected for 2018-2019

Tandridge District Council’s Chairman for 2018-2019 is Councillor David Cooley. The previous chairman, Councillor Gill Black, presented him with the ceremonial chain of office when he was elected at the Annual Council Meeting on Thursday 24th May. The Vice-Chairman of the Council, also elected at last night’s meeting, is Councillor Lindsey Dunbar who represents the Limpsfield Ward. Councillor Cooley has lived in Warlingham for 33 years and has represented Warlingham West since 2008. He has served on a number of Council committees during that time.

His chosen charity for the year is Warlingham Church Hall. Since 1990 the charity has provided recreational facilities mainly for Warlingham residents. It hosts many thriving clubs including badminton, indoor bowling, dancing and theatre productions as well as quizzes, children’s parties and a number of village events such as the May Queen, Christmas Lights, Remembrance Day commemorations and historical evenings.

The hall needs essential major works to the roof, drains and cloakroom facilities and Councillor Cooley is aiming to raise as much money as possible to help Warlingham Church Hall continue with its present functions. The Chairman, who is married with four children, will be supported by his wife Pam, who will be his Consort.

New CCTV cameras for Mint Walk play area

Tandridge District Council, working with Surrey County Council, Warlingham Parish Council, local businesses and residents, has raised £13,200 to install a new CCTV system for the Mint Walk play area. The play area has suffered from repeated anti-social behaviour including vandalism, graffiti sprayed on walls, littering and the equipment has been damaged a number of times making it dangerous for children to play on. The need for a CCTV system was initiated and led by Warlingham Parish Council following a residents meeting.

Tandridge District Council has contributed £7,200 towards the cost of the new camera with Warlingham Parish Council and Surrey County Council both donating £2,000. The rest of the money has been given by local residents and businesses, including people living at Mint Walk and Boxwood Way, Sussex Demolition, the Scouts and the Nippertime playgroup.

The installation is expected to take place at the end of June and residents can contact customerservices@tandridge.gov.uk if they have any questions.
Final consultation period scheduled for Draft Local Plan

On Thursday 21st June, Tandridge District Council published the Draft Local Plan, which is available to read online. The Council has also published fact sheets for every ward, which include maps, sites for new homes, employment and infrastructure improvements, to help make the information in the plan easy to access.

The document was published earlier than is statutorily required because the Council recognises the significance and complexity of the document and wants to give councillors, residents, stakeholders and businesses the opportunity to have enough time to read it before the Planning Policy Committee Meeting on 3rd July, where a decision will be taken whether to approve the Plan for Regulation 19 consultation. If it is approved, dates will be agreed for a Regulation 19 consultation, scheduled to take place between 16th July and 28th August. At Regulation 20, representations will be considered - the final step before any amendments are made and the plan is presented to a government planning inspector.

The Draft Local Plan has taken over three years to prepare and there have been three consultations so far to help shape it. As a result of feedback, some significant changes have been made including changing the plan and its vision, giving greater consideration to farming, agriculture and the rural economy in the district and widening plans for employment creation.

As a result of the earlier consultation, the Council set out a preferred strategy for a Garden Community which will be located in South Godstone. As well as delivering around 4,000 homes over the long term, it will also deliver significant new infrastructure for the district including new primary schools, a secondary school, a health hub, rail and road improvements, play pitches, flood mitigation and employment sites.

To view the Draft Local Plan, see Tandridge District Council's advertisement on page 1 to see what the draft plan contains for the district including significant new strategy. Details about how to view the plan online can be found in the Council's advertisement.

Diary of a Plantaholic
by Sue Baines

All the hard work and lovely weather has meant that the garden has caught up magnificently. If I have one complaint it is that everything seemed to have been over so quickly. I have tried to take photos of Wisley, Honeysuckle Tellmania (20’ long with gorgeous, exceptionally large orange trumpet flowers) and various climbing roses that only flower once. On the plus point as soon as plants are cut back the next lot start to bud up. The many overwintered Dahlias are just beginning to flower too.

With all the reorganisation it will be interesting to see if the right plants match their labels. I am sure there will be a few happy mistakes! I am starting to feed sure there will be a few happy plants match their labels. I am beginning to feed weekly now gone, so they are getting a lot more sun. I will have to keep an eye on the blackfly, which are being encouraged by ants to inhabit every leaf. It helps that they are black, as they are more obvious than greenfly. Both can be devastating though, leaving the plants severely weakened, and that would never do, as I love my beans!

Dahlias are just beginning to bud up. The many overwintered Stockings are a bonus too. For colour, and maybe grasses which do (Campanulas, Penstemon, Alstroemerias, Carnations for colour, and maybe grasses which will beautifully enhance the show).

My runner beans are starting to flower. I’m hoping they will perform much better as the hedge behind the vegetable bed is now gone, so they are getting a lot more sun. I will have to keep an eye on the blackfly, which are being encouraged by ants to inhabit every leaf. It helps that they are black, as they are more obvious than greenfly. Both can be devastating though, leaving the plants severely weakened, and that would never do, as I love my beans!

Art Class Starts Soon

Absolute Beginners to Improvers will love this course!

Great news for all our readers looking for something fun to do over the next few months! Our current course is full, but we are now taking enquiries for the next 13 weeks, part-time art class – starting soon near you.

Absolute Beginners to Improvers - Just like you!

The course is designed to be fun for absolute beginners who have never picked up a brush before through to Improvers.

Step-by-Step Guidance

We adapt to each student’s needs and give them all the guidance and help they need to develop their artistic skills. The curriculum is fun, comprehensive and interesting. Over the course, we will explore four different media; pencil drawing & sketching, oil pastel painting and techniques, painting and blending with watercolours and acrylics. Step by step tuition in the basic techniques and secrets needed to create beautiful pieces of art.

Still Life to Landscapes

By the end of the course, students have created a minimum of 12 pieces of their very own original art they can enjoy forever, from simple still life and flower studies to beautiful countryside landscape scenes.

Young at Heart

This course is a brilliant way to learn new skills you will be able to enjoy forever. It is also a great way of meeting new friends and to have a fun experience you will always remember and cherish! It is open to adults of all ages.

Meet New Friends, Learn New Skills

This part-time course is over 3 months, so will give you plenty of time to master your new hobby and make great friends.

Limited Places

To maintain a high standard to our classes and the tuition you will receive, places are kept to small numbers – so places available are limited! We recommend that if you are interested you call us now for details.

The White House - 85 years au naturel

One of Whyteleafe’s oldest residents is turning 85 this year. Unlike most venerable locals, however, it will be celebrating the milestone in its birthday suit. The White House club is the valley’s traditional family naturist site, a haven for nature-lovers, sunbathers and swimmers since 1933.

As well as a garden party, the club is marking the event with a new website and an invitation to local authorities to consider joining this quiet and welcoming family-friendly fixture in the Caterham Valley. The gardens, woodland, and above all the swimming pool are set for another busy year, and the club continues to enjoy a flourishing membership which has paid for many improvements in recent years.

"I think most people have a reasonable idea of what naturism is and is not," says Nick Mayhew-Smith, a member of the club for 20 years.

"It is a very peaceful, decent and good-natured environment where like-minded souls gather to enjoy traditional naturist activities. Swimming, sunbathing, outdoor sports, and the large sauna are the main attractions.

"Whenever I’ve brought friends along they have been curious, sometimes nervous, but always relieved to find how low-hassle and absolutely innocent our naturism is. It’s a heavenly place to unwind and leave behind body hang-ups and anxieties."

Val, the club chairman, adds: “Coming to The White House is like being on holiday in a safe haven of peace and tranquility, and with the

sports, gym and regular social events, it’s perfect for all the family. I love the sense of freedom and well-being: nothing beats swimming ‘au naturel’ in our warm, uncrowded pool all year round. We are proud to be celebrating our 85th anniversary and look forward to many more.”
